#### HELPING A GREAT CAUSE

The Fernando Vargas Fighting Foundation was established by former world champion Fernando Vargas and his wife Martha Vargas and strategically opened its doors in the City of North Las Vegas as they saw that there was a great need to help kids get off the streets and offer them a safe haven. The FVFF is a non-profit organization dedicated to providing youth with a constructive alternative to self-defeating behavior through athletic, academics and community service programs. Their programs include role model mentors and a "giving inner city kids a fighting chance" philosophy that impacts an average of 400 kids a year. The strength and popularity of their programs provide youth with positive opportunities not otherwise afforded to them.
