

AUDIO: Nonito Donaire talks about working with Dylan Price and Breaks News on World Title Opportunity

Nine-Time World Champion Nonito Donaire Confirmed For Price Promotions February 18th Pro Boxing Card”

CHESTER, PA (JANUARY 17, 2023)–Price Promotions who at this current time has one main goal, and one main focus and that focus is on Dylan Price. Dylan (Affectionately called) “Real Dyl” is a bantamweight contender that seems to be more times than not on the wrong end of the stick.

Price has won “Most Outstanding Boxer” in two National Tournaments, yet not many know of his name. He is a star, but at the lower divisions so... Well who the hell really cares, right? Now you have to also take into account that his father, David, is a very smart business mind so not too many promoters want to deal with that type of person.

The primary promoters choose to deal with people that can be

told, and when confronted, will submit, but the senior Price was not really moved by the former nor the latter. However, there was one particular company that showed love to the Price's. and that was Mayweather Promotions. They, particularly, Leonard Ellerbe were kind to the Price's (In the way that they understand how to be) so that being said, David Price owes Leonard Ellerbe an apology. "I have done so via text and by voicemail and my final apology is in the form of this release" (how appropriate a word).

"However, as a whole, this industry is not without its share of undesirables. These individuals or even groups of individuals have conspired to keep my son Dylan and myself from mainstream boxing. I know, I know another bitter father that sees his son as something beyond his actual abilities. Well, riddle me this, if my son isn't as good as I believe him to be, then why is it that to date we have never received a call from a matchmaker representing any of the minor or major promotional companies . Not even one can ever say that they have ever reached out with a possible match for my son. In other words if he isn't what he thinks he is, then why not serve up another meal for one of your 118lb monsters? Why not have a seven- Time National Champion, Two -Time MVP that was 10-0, 11-0, 12-0, 13-0, 14-0 and is currently 15-0, with 10kos as an opponent for someone in your 118lb stable. All of the major boxing promotions have at least one 118lb boxer if not more, but still we are sitting here all by our lonesome. .. I'm sorry I digressed!!!!"

When Mayweather in their attempt to show love, had us featured on their Facebook channel in January 2019. We actually lost. Yes 15-0 Dylan Price has a loss! But Dylan also has a father who also has a heavenly Father who saw fit to have the Nevada State Athletic Commission make a random request to check this particular fighter's urine, and to our surprise my former business partner and still close friend Doc Nowicki called me and said I was looking on Boxrec and Dylan's name has an 0

beside it. I of course thought he was mistaken, but when I researched Boxrec, I saw the same. I immediately contacted the Commission and they confirmed that it was in- fact, accurate. He cheated, he cheated, he cheated, I celebrated!!!! But there's not going to be much of a fuss surrounding positive news regarding a 115lb African American kid that had their record sponged due to cheating. Nope that gives those that were hoping that we failed more energy to galvanize.

Good plan but.....the God that I serve saw otherwise. Long story for another time but this same individual has caught the eye of the former king ,and soon to be back on his throne to once-again be the king of the bantamweight division. That being future first-ballot Hall of Famer, Nonito Donaire."

"The Filipino Flash" has agreed to be Dylan "The Real Dyl" Price' trainer along with his beautiful wife Rachel. Rachel has proven that she is more than capable to function as the team's lead strategist and strength Coach. The unlikely pair of families have in a relatively short period of time, developed a bond, a kindred spirit connection of some sorts.

Ok Listen you don't have to have a THD in Theology to ask these questions;

1. Why would a fighter in the same division share information from the first 10 minutes that he met another fighter? Why would he tell him secret techniques that he had developed over the course of his career?
2. Why would a 40 year old, nine- time World Champion, that is still chasing greatness seeking an unprecedented 10th World Championship, decide to get on a plane, oh yeah, bring his wife at the bequest of the senior Price and assist them in training???
3. A 118lber former King who is seeking title number ten, decides to take on as a protégé another contender in his current division by the name of Dylan Price, weird right? Either way as I

said.....

VLADIMIR TIKHONOV WANTS TO TEST ACES QUIGG, RIGO AND/OR DONAIRE

Vladimir Tikhonov, rated No 9 by the WBA, and No 13 by WBO, has put word out that he's ready, willing and more than able to rumble with the best and brightest in the super bantamweight division.

Scott Quigg, "let's get it on", he is calling the former WBA champion out, through promoter Dmitriy Salita.

Guillermo Rigondeaux, "I respect your skills but don't believe you are invincible", is Tikhonov's message for the Cuban sweet scientist.

Nonito Donaire, "If you take care of business Nov. 5 against Jessie Magdaleno then how about you step to the line against me," said the 15-0 (8 KOs) Russian.

“Tikhonov is a big, strong super bantamweight who knows how to use his height, reach and power,” Salita said of the southpaw pugilist tutored by Igor Shafer in St Petersburg, Russia. “Vladimir is very well schooled and wants to fight the best fighters in the division. Russia is producing lots of top notch fighters, contenders and world champions. I feel that Vladimir has the skills and experience to be the new face in the super bantamweight division!”

The 26 year-old Tikhonov got it done in his last outing against 40-4 Mikhail Krivolapov. Salita has proven himself to be judicious talent spotter, no surprise since he’s been to the mountain top himself, as a standout at 140 pounds, with a 35-2-1 record at junior welterweight/welterweight. “This Russian is ready to rock and makes heads roll at super bantamweight,” Salita said. “He can finish out this year with a bang and climb even higher in 2017!”
